Faith UMC,  
Thank you for thinking of me as I prepare for finals week.

What a great surprise to get a package full of 'goodies' to distract from my studies.

Thanks again!

# Nurse's Notes

## *Know enough about your parents' health?*

Prepare for a family emergency by gathering important details about your parents' health. For each parent, create a medical reference file that includes birth date, doctors' names and phone numbers, and insurance information. Compile a list of allergies, medications, major health problems and surgeries. Also include advance directives, the legal documents that outline your parents' decisions about health care, such as whether to use life-support machines.

healthy lifestyle tips from MayoClinic.com.

## *Wellness Tip of the Month*

I believe that striking a balance between your physical, emotional, nutritional, spiritual, and financial well-being leads to being "Wellthy."

"Most people are born with 100% of their physical assets and spend those funds wildly. Smoking, drinking, stressing and overeating are just a few ways to foolishly spend your health. As we age, our physical assets diminish and we start to feel it. We wonder why we can't do what we used to. We get "old". We look for answers in bottles of vitamins; fad "all natural" herbal pills and diets. The one thing we don't do is exercise.

Financial retirement funds work because we are taught to make regular deposits of money. EXERCISE is how you make deposits in your physical retirement fund. Exercise, when done appropriately, builds new muscle, blood vessels, and bone. "

## Trustee Announcement

The Trustees Committee has been developing a Building Use Policy and Fee Schedule over the past few months. It is now available in the office. So if you wish to use our building for any event or gathering, please contact Selia or Pastor Michelle.

It is our goal to provide clear instruction for use of the building; contact information for both the user and FUMC; and to make sure the facilities are in good operating order! We consider our building a wonderful place to worship and are happy to share it with the congregation, community groups and anyone else in need of a gathering place!

Respectfully submitted,  
Patty McQueen, Trustees Committee

## The Knots Prayer

Dear God:

Please untie the knots  
that are in my mind,  
my heart and my life.  
Remove the have nots,  
the can nots and the do nots  
that I have in my mind.

Erase the will nots,  
may nots,  
might nots that may find  
a home in my heart.

Release me from the could nots,  
would nots and  
should nots that obstruct my life.

And most of all,  
Dear God,  
I ask that you remove from my mind,  
my heart and my life all of the 'am nots'  
that I have allowed to hold me back,  
especially the thought  
that I am not good enough.  
Amen
