SPOTLIGHT ON FAITH

Larry and Sherri Peterson have been members of Faith United Methodist Church since September 1995, previously members of First U.M.C.—Kearney and North Platte Methodist Church. Sherri was baptized and a member of the Overton Methodist Church where Larry and Sherri were married.

They are proud parents of two daughters Penny Larsen, of Kearney, and Jane Tiff of Texas and five grandchildren. Grace, a Senior at U.N.K.; Megan, a 2013 graduate of Texas A&M and is the account manager for Dallas Rangers Baseball team; Jordan, a sophomore at Texas A&M; Sarah a pre-med. Major at K.U., Lawrence; and Seth, who is a junior at Kearney High School.

Both Larry and Sherri have served on various boards at Faith—presently Larry is on the Finance Team and Sherri is on S.P.R.C. They enjoy the 8:45 a.m. service and Larry helped establish the Faith Community Garden. Sherri attends the Tuesday Morning Women's Bible Study.

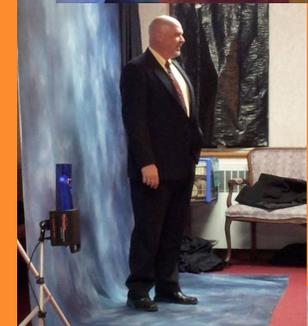

Larry and Sherri are retired from U.N.K.—Larry was a Professor in the Art & Art History Department and Sherri was a secretary in Family Studies and Interior Design Department in the College of Business and Technology. Larry is an active board member at the Museum of Nebraska Art (MONA) and Sherri is an active art reach docent at MONA.

They enjoy traveling to Texas to see the family and to their cottage at Branson, MO. The couple will celebrate their 55th Wedding Anniversary on December 21!

Something to Think About from Parish Nurse

Go to any zoo in the country and you will find cages protecting the public from the wildlife that inhabits the zoo. Cages are commonplace and everyone understands that what is locked inside the cage is often dangerous to your health or even lethal. No sane individual would go into the lion's cage!

Last week I was shopping in Costco when it occurred to me that Costco cages its supply of cigarettes. While Costco's motive is probably to cut down on theft, the message should be clear. Danger, entering this cage could lead to loss of life or limb! No sane individual should enter Costco's fenced-in tobacco refuge.

NOTES OF THANKS

Family of Faith—

THANK YOU for your attendance and full support of the annual Faith Family Fall Festival. It was an absolute hit for not only church goers but our neighborhood!

In Christ's Love,

Cassy Heuertz &

Christian Education Team

Thanks everyone again for their support for the Prime Festival that was held Oct. 11th. We appreciated all the donations of food items, homemade pies, seed money and all those who worked so hard that day to make it successful. After all the expenses the profit from Prime is \$2,592.62. We are grateful to the Kearney Hub for the opportunity to serve this community project these past 13 years and also for their added contribution to our profit this year.

Thank You, Renovations Team

Thank you for your support of our annual Waffleman Fundraiser!

United Campus Ministry

Dear Friends in Christ, I cannot thank you enough for the beautiful prayer blanket. I have used it countless times these past few weeks, and it always gives me a special feeling. The warmth of your prayers and good wishes is present in this blanket, and I am extremely grateful to have it!

Sincerely, Sheri Ericksen
