Father's Day

June is the month we celebrate Father's Day! It is a good time to give thanks for all of our fathers. More and more children are growing up without a father's influence and support. To raise healthy children a father's presence is important. Here are ten hints for you fathers - why not practice one or more of them this month?

1. Pray for wisdom that the values you currently hold are value that are pleasing to God.
2. Talk openly with your child about your values.
3. Remember there is more to happiness than the balance in your checkbook.
4. Share your faith with your children daily.
5. Help your child see himself as a valuable child of God.
6. Seek excellence in all you do.
7. Teach your children to love life.
8. Guide your children in respecting all that God has created.
9. Help your children think through possible outcomes and make choices on their own.
10. Understand your "job" of sharing the important things in life and what makes them special to you and your family.

Don't force your values on them. They will claim for themselves what is important to them.

CAPITAL FUND: UPDATE

MAY 21-22: FANTASTIC SATURDAY & SUNDAY

The Yard Sale yielded \$915.46 and thirty households made generous donations on Sunday. The result enabled the Capital Fund to grow by \$5151.51. Our total has now reached \$47,123.01 which leaves us short of our goal of \$50,000 by only \$3000. We had a very fantastic weekend.

I can not thank the donors enough. Your support is so very much appreciated. The vast majority of our membership has responded to our drive with generosity and alacrity. This reflects very favorably upon Faith UMC.

We have only until May 31 to raise \$3000. Can we do it? Yes we can. A few potential contributors have not yet responded and possibly a few will give a second check.

(As of May 24, 2011)

Alta and Bill would like to thank their family and friends for all the cards and gifts. We would also like to thank those who attended our Open House. It was so nice to see all of you. Thanks to everyone who helped in any way including our daughters and family, Regina and Rhonda.
Alta and Bill Crapson

Thank You

My family and I would like to thank the ladies who provided a meal for us in recognition of my grandmother's death. Everything was delicious. Also thank you to all of those who offered kind words and cards of sympathy during this time.
God Bless you! Kerri Miller and Family

To Our Church Family,

Thank you doesn't seem nearly enough for all you've done for us again, this past month. You have definitely been His hand and feet! When I came to after my wreck and dug my way out from beneath the mail and packages, I said "thank you God." Little did I know at that moment how much I'd have to be thankful for. We are so thankful for you surrounding us with your prayers and love. For the cards and visits and food. For Suzann and Roene pushing me to give up my unrealistic idea of still handling Jason's graduation party by myself - I needed that. Thank you to everyone that helped make it a special day for Jason and us. To Suzann and Roene for planning and organizing the food and set up. Thank you to Steve and Suzann for getting the yard mowed and ready despite the cold, miserable conditions. To the Garrelts for bringing the tables and Steve and Suzann for bringing the chairs. To Steve and Suzann and Dorothy for cleaning the house. Thank you to Steve and Suzann, Rick and Jacque, Valerie, and Doug for all your effort and work to get the tents up - again, despite the awful weather. To Kathy Larson for helping put pictures in albums. Thank you to Roene and Kathy Brisbin for making such a special prayer quilt for Jason. To everyone that made meatballs, brought pop, chips, and relish trays. To Doug and Deb for getting things setup in the tent and the house while we were at graduation. Thanks to everyone that came and shared the day with us - you truly are our family. And thank you to Steve and Suzann, Mike and Roene and Doug for coming to clean up afterwards. Countless people called to offer their help and I'm sorry if I forgot to mention someone. Faith came together, as always, and we were truly blessed! Thank you SO MUCH!

Zeanna, Dan & Jason

David and Carolyn met in the fifth grade. Who could have guessed that eleven years later there would be a ceremony in this church? They have four children; Vicki Forney (deceased), Angela Belmarez of Palmyra, NE, Elizabeth Schroat of Kearney, NE and Daniel Forney of Denver, CO. David and Carolyn also have three grandchildren and four great grandchildren. Carolyn taught elementary school for 26 years, adult education for a couple of years and for Platte Valley State Bank for 6 ½ years before full retirement in 2004. David worked in the shipping department at Rockwell followed by carpentry. His second job was farming into the night via modern machinery's headlamps. After a life-altering accident, David became an employee of MNCS where he could use his carpentry knowledge to evaluate homes and set up weatherization for low income, elderly and handicapped persons. He

retired in 2004. Carolyn's present activities include: church activities and committees, treasurer for Friends of the Library, docent at MONA, Stonecroft Bible study, bridge group, brown-bag group, occasional help for 10,000 Villages and Kearney Concert Association. Her hobbies include concerts, plays, travel and reading. David's activities include a lot of yard work during the summer, shoveling snow during the winter and walking the dog all year long. (One he loves; the other two he tolerates.)

David enjoys computer games and doing

crossword puzzles. He has several television shows that he enjoys. His hobbies include numismatics, going to concerts and plays and taking trips.
